Dear church family,

Thank you for the work crew that went out today. We have an additional need for a work crew to assist with the Auburn Hills Mobile Home Park in Ooltewah that was devastated by the tornado. There is a lot of work that needs to be done. We are requesting a work crew that could assist with major and minor home repair work. There are a few homes that will need reframing their home as well as some that will need drywall repair work. There is likely plenty of work for unskilled labor as well.

A work crew is meeting at 8:45 a.m. tomorrow morning at our church to go out to care for this community. If you are able to join us, please arrive at 8:45 a.m. Lunch will be sent over at noon from the church.

UPDATE: We will also need a work crew tomorrow to assist the Bradley's who hope to begin sorting through their home/yard tomorrow. There will be tree removal needed at the Bradley's as well. If anyone can bring masks/thick plastic gloves to this site, they will be needed.

In Jesus,

Jake Bennett, Executive Pastor
